No. C 07-1820 SI

**ORDER RE SUPPLEMENTAL
BRIEFING**

11 Plaintiffs,

12 v.

13 LOWE'S HIW, INC., *et al.*,

14 Defendants.
15 _____/

16 The parties in this action have stipulated to dismissal of the class action allegations, and to
17 individual settlements by the named class representatives. See Docket #40. At the Court's request,
18 plaintiffs' counsel has submitted a declaration explaining all fees he anticipates receiving as a result of
19 this litigation. He states that the only settlement monies payable by defendant Lowe's to either the
20 named plaintiffs or their counsel are reflected in the individual settlements. Plaintiffs' counsel adds,
21 however, that he "was paid \$60,000 by Attorney Kevin Barnes for work and assistance provided in the
22 *Craig Hall et al. v. Loews HIW, Inc., et al.* [No. BC32832, Los Angeles Superior Court] case."

23 This amount substantially exceeds the settlement amounts received by the named class
24 representatives. The Court therefore requests that plaintiffs' counsel submit a declaration explaining
25 and itemizing the "work and assistance provided" in the *Craig Hall* case. Said declaration shall be
26 provided on or before July 7, 2008.

IT IS SO ORDERED.

27 Dated: June 27, 2008
